

### **NOTICE OF INTENT TO ISSUE CATEGORICAL EXCLUSION**

In accordance with the Illinois Environmental Protection Agency (IEPA/Agency) procedures for issuing loans (Title 35, Subtitle F, Chapter II, Part 662.330) from the Water Pollution Control Loan Program the, IEPA has determined that the Yorkville-Bristol Sanitary District (YBSD) Phase 1B Upgrades Project (Project) may be excluded from a detailed environmental impacts review. The Agency may categorically exclude certain types of projects from environmental review if no potential for negative environmental impacts exists. Environmental sign-offs have been received from all applicable agencies and the proposed construction is being conducted in previously disturbed areas, therefore, this Project is categorically excluded from a detailed environmental review. The IEPA has also determined that the Project is technically appropriate and cost-effective.

Information related to the Project and the Categorical Exclusion prepared by the IEPA are available for review at the YBSD Administration Building located at 304 River Street, Yorkville, IL 60560. There will be a 10-day comment period subsequent to the publication of this Notice to receive comments from interested and affected parties.
