YBSD
YORKVILLE-BRISTOL
SANITARY DISTRICT

UNDERSTANDING YOUR RESIDENTIAL BILL

Explanation of Charges:

The United City of Yorkville provides billing services for the Yorkville-Bristol Sanitary District's (YBSD) residential users bi-monthly (every two months).

Fixed Fee (Debt Service/Capital Improvements)

YBSD secures low-cost funding from General Obligation Bonds and the State of Illinois Revolving Loan Fund. These funds are used for capital projects to provide wastewater service to the area and to meet effluent standards required by the Illinois Environmental Protection Agency. The "fixed fee" portion of the bill is the dedicated revenue source as required to secure these funds, which will be billed whether the property is vacant or occupied.

The "YBSD" User Charges are as follows:

The bi-monthly "Fixed" fee is $68. The bi-monthly "O&M" fee is $36 for usage up through 4,000 cubic feet of water.

$ 68.00 Fixed
$ 36.00 O&M
$104.00 TOTAL

If a customer uses over 4,000 cubic feet of water, the fee would be calculated at $2.00 per 100 cubic feet for the additional water used and added to the O&M portion of the bill.

For more information regarding the billing structure, please contact the YBSD office at 630-553-7657.

If you have questions regarding specific bills, please contact the City of Yorkville at 630-553-4350.
